

ECON 3010 Intermediate Macroeconomic Theory

Homework #8

Due: Tuesday, December 4, 2018

Ten *LaunchPad* multiple-choice questions. You have unlimited attempts to complete the assignment and they are due at midnight on the date above.

The written questions below are due at the beginning of class and should be typed.

1. Graphically derive the IS and LM curves. Make sure to label all your axes and all the curves. Then type a brief paragraph for each derivation that explains all the steps clearly and concisely. It is fine to hand draw the graphs, but if you do, draw them neatly.
2. Chapter 11. Problems and Applications #2.
3. Chapter 11. Problems and Applications #6.
4. Chapter 12. Problems and Applications #1.
