ECON 3010 Intermediate Macroeconomic Theory
Homework #8
Due: 11:59 pm Tuesday, May 5, 2020

Ten Sapling multiple-choice questions. You have unlimited attempts to complete the assignment and they are due at midnight on the date above.

The written questions below are due at the day & time above and should be typed.

1. Graphically derive the IS and LM curves. Make sure to label all your axes and all the curves. Then type a brief paragraph for each derivation that explains all the steps clearly and concisely. It is fine to hand draw the graphs, but if you do, draw them neatly.
