

Group Presentations (50 pts)

Dates: Thursday, December 5 (11:00 am) and Tuesday, December 10 (10:15 am)

Presentation Information

- Each group will have up to 25 minutes total. The presentation should take no more than 15 minutes with 10 minutes for questions and answers. Please send me your slides by 8 am on the day of the presentation.
- The only deliverable is a PowerPoint presentation of no more than 10 slides. Additional slides can be included in an appendix but should not be part of the main presentation.
- The first three groups will present on December 5 with the remaining groups presenting on December 10. Not everyone in the group needs to present, but each member of the group is expected to contribute to the assignment. One possibility is for one group member to be lead on the IMPLAN analysis, another to be the lead on creating the PowerPoint slides, and the third member to present the findings. However, the group can allocate effort and responsibilities in any manner they choose.
- You will be graded on the chosen application, IMPLAN analysis, PowerPoint slides, and ability to answer questions. The group will also be graded on the formatting and accuracy of the slides.
- For the application, please choose a Wyoming-based business or industry, or a Wyoming governmental program. You are NOT allowed to choose one of the case-study examples from class. The first slides should give a background and purpose of the business, industry or program. One slide should include the data/information to be entered into IMPLAN. The inputs for IMPLAN can be found in published sources, reputable websites, or by contacting industry representatives directly. Each presentation must include an IMPLAN analysis with economic and tax impacts. The analysis and slides should also include the costs of the program/business so that you provide a forecast of the net, as opposed to gross, benefits to Wyoming. The final slide(s) should interpret the results, draw conclusions, and consider possible limitations.
- Groups are shown below; please meet ASAP.
